

# Umbrella Organizations: Essential Part of the Autonomous Community Action Movement

## INTERLOCUTORS

**Member community groups**

**Non-member community groups**

**Other umbrella organizations**

- In the same sector
- From other sectors
- In the same region
- Of which we are members

**Public networks (health care, education, etc.)**

**Public institutions (municipalities, ministries, etc.)**

- Administrative level
- Political level

**Elected officials and political parties**

**Public and private foundations**

**Other social actors (NPOs, unions, etc.)**

**Media**

**Academic and research sectors**

## THEMES COVERED DURING THE COVID-19 CRISIS

**Situations of community groups**

- Public health measures for community groups
- Managing health risks and uncertainty
- Adapting activities
- Funding (reporting requirements, emergency funds, etc.)
- Autonomy
- Recognition
- Work reorganization
- Staff management
- Individual challenges: anxiety, burnout, isolation

**Situations within population**

- Public health measures for individuals
- Public policies and support programs
- Living conditions and unmet needs
- Inequality and discrimination
- Community development
- Civic life and democracy
- Rights
